School Closing Information

When schools need to close, emergency procedures go into effect quickly. Parents should develop an emergency procedure for their children in the event of a school closing or other unexpected happening.

SNOW CLOSING: The superintendent will decide whether to close schools on a day of heavy snow or snowstorm forecast. School closing information is cablecast on West Bloomfield School District's access channel WBTV-19 and broadcast on most local radio stations, including WJR-760 AM, WWJ-950 AM and on television channels 2, 4 or 7. Notices are broadcast to all parents via Power Announcer and also are posted on the district website www.wbsd.org. Please do not call the transportation office for closing information. In the event of school closing, the transportation staff is involved with closing procedures.

SCHOOL DAY CLOSINGS: Other reasons for closings during the school day may include a mechanical malfunction in the building, power outage or other unexpected events. When making the decision to close, the health and safety of the children is the primary consideration.
