STUDENT EXPECTATIONS

The West Bloomfield Academic Summer High School program offers an opportunity for students to recover credit, gain additional high school credit or improve a grade in the summer. All students are expected to attend classes regularly and behave in a way that is conducive to teaching and learning. If students fail to attend classes regularly or are disruptive, they will be dropped from their classes and tuition **will not be refunded**.

- The West Bloomfield Student Code of Conduct is in effect for all students with an emphasis on proper attire and respectful behavior.
- Students found smoking or fighting on school property will be dropped from the program and tuition **will not be refunded**.
- Students will be allowed up to three (3) absences per class. After three (3) absences, the student will be dropped from the program and tuition **will not be refunded**.
- **Tardy three (3) times per class (under 15 minutes late) will equal one (1) absence. Tardy after 15 minutes is an absence.**
- Final grades will not be released until all textbooks and materials are returned.

Students must leave the premises immediately after class unless they are involved in an activity at West Bloomfield High School which directly follows summer school. Students will be dropped from the program after three (3) warnings.

Students are encouraged to bring a healthy snack and a bag lunch.

Introduction to Physical Education 1

Foundation course with a solid base in physical education. Instruction in fitness training, and participation in individual and team sports.

Course worth .5 Carnegie unit. Prerequisite: None
8:00 am - 10:35 am **#SS071**

Health

Provides knowledge and skills in emotional health, nutrition, exercise, drugs and alcohol, and human sexuality. A community service project is a class requirement.

Course worth .5 Carnegie unit. Prerequisite: None
10:45 am - 1:20 pm **#SS072**

FOR INCOMING 9TH GRADE STUDENTS

Bridge 9 July 8 – July 26

This class is designed to create a smooth transition from 8th to 9th grade.

The program aims to:

- Build work skills, study habits, self-esteem for success
- Build positive peer relationships in an academic setting
- Build a positive relationship with adult faculty

Learn and reinforce skills in English, Language Arts and Math.

Due to shorter class duration only two absences are allowed.

Three tardies equal to one absence.

Students who successfully complete the class will earn .5 WBHS credit.

8:00 am - 12:00 pm \$175.00 **#SS081**

SAT English Prep Course June 24 – June 28

Focuses on the English portion of the SAT. This intensive week long course focuses on strategies and tips when approaching SAT reading, rhetorical strategies and writing sections of the exam. Students receive valuable instruction times as well as practices and feedback on their progress. The course focuses on specific approaches to material and key grammar and writing instruction geared to the test. This course is for students who have taken the test and wish to improve their English score, or for students who are about to take the test and want specific help on the English portion.

Note: **No credit will be earned for this course.**

8:00 am - 10:35am \$79.00 **#SS082**

ESSAY WRITING June 24 – June 28

This course will help students improve their writing skills for high school and college. Students will focus on a variety of essay formats which will be required both in high school and beyond. Learn how to craft a proper thesis, formulate research techniques, and transition from outlines to full length essays. Essays covered in this course include persuasive, personal narrative and expository. Students will also leave with a clear understanding of MLA format, editing techniques and proper word usage for numerous writing purposes.

Note: **No credit will be earned for this course.**

10:45am - 1:20pm \$79.00 **#SS083**
