

West Bloomfield School District

OFFICE OF THE PRINCIPAL

August 14, 2014

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2013-2014 educational progress for Scotch Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please feel free to contact me for assistance.

The AER is available for you to review electronically by visiting the following web site <http://www.westbloomfield.k12.mi.us/scotch/> or you may review a copy from the Scotch Elementary School office.

Information used to rank schools is based on the development of the Top to Bottom list of schools and their performance. We are actively working to address the school issues, and student concerns, by identifying key areas that need improvement. Once identified, we will begin to work with these students in small groups helping to improve where they have struggled academically in the past. Teachers will engage in data-driven conversations which will improve instruction and help to implement small group interventions. Student progress will be monitored and Professional Learning Communities will be utilized to improve student learning for all. Scotch will continue with professional development centered around our "Cultures of Thinking" team. It is from this team that we derive our overall school improvement goals.

As always we will continue to strive for excellence in all that we do.

James Scrivo
Principal
Scotch Elementary School
