Due to licensing requirements, ALL students attending Kids Connect MUST be registered. This is to ensure that we have all emergency information on file for the safety of all students.

Parents will need to set the same weekly schedule for at least one month.

Families may register from one day to all five. Parents will have the option of changing the schedule prior to the upcoming month. There will be a \$10 charge for every schedule change if outside of the allotted time frame. A \$10 child search fee per child will be applied if staff has to spend time looking for your scheduled child/children at dismissal.
