West Bloomfield School District reserves the right to reject any or all bids, in whole or in part, to waive any irregularities therein and accept that bid, which serves in the District's best interest.

The Bid is separated into eight packages which are:

- |                  |                 |
|------------------|-----------------|
| 1. PE            | 5. Cheerleading |
| 2. Football      | 6. Wrestling    |
| 3. Basketball    | 7. Volleyball   |
| 4. Track & Field | 8. Misc.        |

Vendors may bid on any single package, or any combination of packages, or all eight packages. Vendors are asked to input a unit price for each item on the attached Excel Spreadsheet and the spreadsheet will calculate the total cost by line item and total cost of proposal for each of the eight packages bid upon. Alternate bids other than the model/brand listed will be considered.

If service and delivery fees are extra costs over and above the unit costs proposed by vendor, there is a line item designated for those costs. If that line item is left blank by vendor, it is assumed that service and delivery fees are included and shall not be an additional cost.
