AGREEMENT

THIS AGREEMENT, entered into this first day of July 1, 2023, by and between the BOARD OF EDUCATION OF the WEST BLOOMFIELD SCHOOL DISTRICT, hereinafter called the BOARD, and the TEAMSTERS LOCAL 214 AND WEST BLOOMFIELD TEAM MANAGEMENT UNION, hereinafter called the UNION,

WHEREAS, the laws of the State of Michigan authorize public employees and public employers to enter into collective bargaining agreements with respect to rates of pay, wages, hours of employment or other conditions of employment; and,

WHEREAS, the parties, following deliberate professional negotiations, reached certain understandings which they desire to incorporate into this collective bargaining agreement;

NOW, THEREFORE, in consideration of the mutual covenants and benefits to be derived, the parties respectively agree:

ARTICLE I **RECOGNITION AND DEFINITIONS**

Section 1 – Recognition of the Union

The Board hereby recognizes the Union in accordance with the applicable provisions of Act No. 379, Public Acts of 1965, as amended, as the sole and exclusive bargaining representative for all personnel employed by the Board in administrative positions, specifically all school principals, all assistant principals, athletic director, head of school – Oakland Early College, Director of Student Support Services and Supervisor of Student Support Services, excluding superintendent, deputy superintendent, assistant superintendents, business manager, and all other employees.

Section 2 – Exclusive Collective Bargaining Agreement

The Board hereby expressly agrees that it shall not enter into any collective bargaining Agreement with any administrators as defined in Section 4 hereof or with any other collective bargaining organization on behalf of said administrators during the term of this Agreement.

Section 3 – Scope of the Agreement

It is mutually acknowledged that this collective bargaining Agreement represents the Agreement between the parties, and any other matters outside of this Agreement which have not been incorporated by reference herein shall not be deemed to be a part of such collective bargaining agreement.

Section 4 – Definitions

In the application and interpretation of the provisions of this Agreement, the following definitions shall apply:

- A. BOARD shall mean the Board of Education of the West Bloomfield School District or its designated representatives.
- B. UNION shall mean Teamsters Local 214 and West Bloomfield Team Management Union.
- C. ADMINISTRATOR shall mean anyone included in the bargaining unit.
- D. SUPERINTENDENT shall mean the Superintendent of Schools of the West Bloomfield School District or his/her designated representatives.
- E. In the construction of the words used in this collective bargaining Agreement, the use of the singular shall include the plural and the masculine shall include the feminine.

Section 5 – Distribution of Agreement

The Board is responsible for the typing and preparation of this Agreement for distribution by the Union to each member of the bargaining unit. The Union is responsible for distribution to each member of the bargaining unit copies of this Agreement.

Section 6 – No Strike Pledge

The parties hereby mutually acknowledge that the laws of the State of Michigan impose certain restrictions on their conduct toward each other. The Board, therefore, agrees that it will meet its obligations as defined in Act No. 336, Public Acts of 1947, as amended, and the Union agrees that no administrator shall engage in a strike as also defined in the above mentioned act. Nothing in this section shall be construed to constitute a waiver of any right, procedural or substantive, accruing to either party under the above same Act.

Section 7 – Nondiscrimination

The Union agrees to continue to admit all administrators to membership without discrimination on the basis of race, religion, color, age, national origin, sex (including sexual orientation and transgender identity), marital or family status, disability, military status, ancestry, genetic information or any other legally protected category, (collectively "Protected Classes") and to represent them without regard to their participation in the affairs of other professional education organizations. The Board agrees to continue its policy of nondiscrimination against any administrator on the basis of race, religion, color, age, national origin, sex (including sexual orientation and transgender identity), marital or family status, disability, military status, ancestry, genetic information or any other legally protected category, (collectively, "Protected Classes") or membership, participation in or association with the activities of any professional educational organization.

ARTICLE II RESERVATION OF RIGHTS

The Board reserves all the rights and powers conferred upon it by the constitution and laws of the State of Michigan, except as the same are expressly and specifically limited by this Agreement. Such rights include by way of illustration and not by way of limitation the right to:

1. Manage and control the business, equipment and operations of the school district.
2. Assign administrative personnel, determine the number of administrative personnel and their schedules.
3. Select and determine qualifications of administrative personnel.
4. Determine the number and location of its facilities, including buildings, departments, offices and divisions thereof.
5. Determine the services, supplies and equipment necessary for the operation of the district and establish financial policies and procedures.
6. Determine the number, function, authority and organization of its executive staff.

ARTICLE III UNION AND ADMINISTRATOR RIGHTS

Section 1 – Union Rights

The Union reserves all the rights and powers conferred upon it by virtue of the laws of the state of Michigan as well as additional privileges and responsibilities afforded by this Master Agreement.

Section 2 – Notice of Vacancy in Administrative Positions

Any vacant administrative position within the unit shall be filled according to the following procedure:

Notice of any vacant administrative position shall be sent to each school building within the school district at least ten (10) days prior to the filling of the position, with an additional copy to the Chief Steward of the Union.

Section 3 – Administrator's Personnel File

Each administrator shall have the right, upon written request, to review the contents of his/her own personnel file in the presence of a witness, except that all confidential material supplied by outside agencies concerning an original employment may be removed from the file and shall not be subject to review by the administrator. A representative of the Union may be requested by the administrator to accompany the administrator in such review.

Section 4 – Pupil Assignments

Subject to the approval of the Superintendent, each building principal shall have the right to make a determination regarding each pupil's assignment within his/her building. Any such determination shall be made in conformance with Board of Education policies regarding the classification and promotion of pupils.

Section 5 – Staff Assignments

Subject to the approval of the Superintendent, each building principal shall have a right to make a determination regarding each staff member's assignment within his/her building. Such assignment shall be made in accordance with other collective bargaining agreements which the Board has entered into and which speak on the subject of assignments, work schedules, transfer, etc. It is agreed that any complaint by a staff member regarding a staff member's assignment shall not proceed above the building level except through the recognized grievance procedure.

Section 6 – Change of Assignment/Layoff

It is understood and agreed that although there may be pay differences in various assignments, all administrators are of equal rank and any change of assignment is not to be construed as either a promotion or demotion.

In the event an administrator is placed in an assignment which is scheduled for lower pay, he/she will be frozen at the pay rate existing before the change in assignment until such time the rate of pay for the new assignment exceeds that of the old assignment.

If an administrator has a change of assignment or is laid off, Union leadership will be afforded the opportunity to meet with the Superintendent (or designee) to provide input.

Section 7 – Pupil/Administrator Ratio

In the event that the pupil-to-administrator ratio in any given building exceeds 550-to-1, the superintendent shall meet with the administrator and the Union to determine an appropriate measure of relief. Such measure of relief may consist of:

- Additional support personnel
- Additional compensation
- Other measures, as mutually agreed upon between the Board and the Union

This meeting shall be held prior to the first day of school. The relief measures agreed upon shall be applied within one month of this meeting.

Section 8 – Membership

Membership in the Union is not compulsory. Neither party shall exert any pressure on or discriminate against an employee with regards to such matters. Every employee in the bargaining unit (each "bargaining unit member") can freely choose to become a member of the Union or to not become a member of the Union. Bargaining unit

membership and Union membership are distinct. An employee covered by the Collective Bargaining Agreement is always a bargaining unit member, but such an employee becomes a Union member only by choice.

ARTICLE IV **LEAVES OF ABSENCE**

Section 1 – Leaves of Absence for Professional Improvement

- A. An administrator may be granted a leave of absence, without pay, for a period not to exceed one (1) year for the purpose of:
1. Graduate study (a minimum of ten [10] semester hours each semester or its equivalent);
 2. Independent research in education or an educationally related field under the supervision of the Superintendent or an accredited college or university;
 3. Educational travel (itinerary must accompany application).
- B. If the administrator requests in writing the continuation of life insurance premiums paid for by the Board and/or health and hospitalization insurance premiums paid for by the Board, he/she shall also sign a statement indicating that he/she shall agree to full-time service in the district for a one (1) year period upon completion of the leave. If he/she signs said statement and fails to return to the district, he/she shall reimburse the district for all fringe benefit costs within one (1) month after termination of said leave. If the administrator does not choose Board payment of fringe benefits, he/she shall be permitted to pay the premiums on said benefits and be retained as part of the employee group during the period of said leave.

Section 2 – Paid Leave Days

The Administrator shall be provided those paid leave days necessary for important and reasonable purposes as determined by the Superintendent, including but not limited to, personal and family illness, personal business, religious holidays, maternity/paternity, workers compensation, jury duty, and funeral attendance. The School District maintains the authority to monitor and control the Administrator's use of paid leave.

Leave days shall not be used for personal pleasure or for extended vacation purposes. Misuse or abuse of leave days shall be subject to administrative disciplinary action.

Reporting the use and the type of leave day(s) shall be pursuant to the School District's reporting procedures. No accumulation of leave days, from year to year, or payment for unused leave days is contemplated by this Contract.

In the case of an extended leave of absence for illness/disability compensable under the School District's long-term disability plan, the Administrator shall be permitted to receive paid leave days for ninety (90) days, or the commencement of receipt of long-term disability benefits, whichever date first occurs. In the event that long-term disability payments or proceeds are received by the Administrator after the ninety (90) day period for which the Administrator has received remuneration from the School District ("Remuneration"), the Administrator shall turn over to the School District the amount of insurance proceeds equal to the Remuneration.

Section 3 – Leave of Absence Without Pay

- A. **Military Leave** – A military leave of absence shall be granted to any administrator who shall be inducted or shall enlist for military duty in any branch of the armed forces of the United States. Persons on this leave shall receive no benefits; however, they will be allowed to retain any sick leave already accumulated. Upon return from such leave, an administrator shall be placed at the

same position on the salary schedule as he/she would have had he/she been employed in the district during such period. The period of said leave shall not exceed the period of one (1) enlistment if the administrator enlists or the period covered by the original induction orders if the administrator is drafted.

- B. General Leave of Absence – Any administrator may be granted a leave of absence of up to one (1) year for any worthwhile purpose. Such a leave may also be extended for a second year if the Superintendent so recommends and the Board so chooses to approve said leave. At the expiration of the leave, the administrator shall be reappointed to the district's administrative staff. Persons on this leave shall accrue no additional sick leave, but shall be allowed to retain sick leave already accumulated.

Administrators on such leave may continue their benefits by paying all monthly premiums one (1) month in advance to the Business Office.

- C. Family and Medical Leave – After a full year (at least 1250 hours) of employment, employees will be eligible to request an unpaid leave of up to twelve (12) weeks for the birth of a child, adoption of a child, foster care of a child, care of a child 18 years or younger, care for a spouse, child or parent if such relative has a serious health condition, or for their own serious illness. To be eligible for the leave, the employee must have been actively employed for one (1) full year prior to the commencement of the leave. The Board may require that the employee exhaust all paid leave entitlement as part of the mandated twelve (12) week leave period.

Application for leave under this provision shall be made by completing the district-provided application form at least thirty (30) days prior to the commencement of the leave. If it is not possible to complete the application form in advance of the leave, the form must be completed and signed within ten (10) days of the start of the leave. The form shall state: (1) the reason for the leave; (2) relationship to the individual; (3) expected beginning and ending dates; (4) physician's verification; (5) agreement to reimburse the costs of medical premiums should the employee sever employment, subject to the exceptions as outlined in the Family and Medical Leave Act Rules and Regulations.

The Board may request medical verification or other information verifying the need for the leave. The commencement and duration of the leave may be dependent on the special leave rules set forth for academic institutions in the Family and Medical Leave Act as determined by the employer. Seniority shall continue to accrue during the leave. Health benefits will be continued during the leave under the same conditions and at the same level as if the employee were at work. If the employee returns to work immediately following the twelve (12) weeks of leave, he/she shall return to the same position or a position equivalent to the position held prior to the leave. If the leave continues for longer than twelve weeks, the employee will return under the conditions stated in Section B of this Article.

ARTICLE V

GRIEVANCE PROCEDURE

Section 1 – Definition and Restriction

Any individual who is a party to this Agreement and who feels that such Agreement has been violated may file a grievance in accordance with the procedures detailed in Section 2 and 3 of this Article. It is expressly understood that only matters related specifically to this Agreement are grievable and that the person alleging a violation of this Agreement shall place said grievance in writing indicating (a) the date of the alleged violation, (b) the specific Article and wording of the Agreement that has allegedly been violated, and (c) the resolution requested. Failure to meet the time limits as detailed under each step of the grievance procedure automatically waives the right to continue the grievance. Failure to provide an answer as called for in each step shall automatically cause the grievance to be moved to the next higher step in the grievance procedure.

Section 2 – Administrator's Grievance

- Step No. 1: Any administrator believing there has been an alleged violation of this Agreement shall meet with his/her immediate supervisor within ten (10) working days of the alleged violation. If the grievance is not resolved in that meeting, the immediate supervisor shall provide written answer within ten (10) working days of the discussion.
- Step No. 2: If the administrator does not agree with the answer provided by his/her immediate supervisor, he/she may appeal within ten (10) working days of receipt of the supervisor's answer to the Superintendent of Schools. The Superintendent or his/her designee shall meet with said administrator within ten (10) working days of the request for such meeting. The Superintendent or his/her designee shall provide a written answer within ten (10) working days of said meeting.
- Step No. 3: If the administrator does not agree with the answer provided by the Superintendent or his/her designee, he/she may request, within ten (10) working days of said answer, a Board hearing on the alleged violation. The Board may arrange for a hearing on the alleged violation at its next regularly scheduled Board meeting, but, in any case, the Board shall hold said hearing within fifteen (15) working days of receipt of request for said hearing. The administrator may request that said hearing be held in executive session. The Board shall provide a written answer within the ten (10) working days of said meeting.
- Step No. 4: If the grievance is still unresolved, either party may, within ten (10) working days after the Step 3 disposition, and by written notice to the other party, request arbitration.

Within ten (10) working days after such notice to arbitrate, the Union and the Board shall attempt to agree upon a mutually acceptable arbitrator. If the parties are unable to agree, a request for a list of arbitrators will be made to the American Arbitration Association by the party seeking arbitration within the next five (5) working days. The parties will be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.

The arbitrator so selected will hear the matter promptly and will issue his/her decision no later than thirty (30) days from the date of the close of the hearings. The arbitrator's decision will be in writing and will set forth his/her findings of facts, reasoning, and conclusions on the issues submitted.

The arbitrator shall have no authority except to pass upon alleged violations of the provisions of this Agreement and to determine disputes involving the application or interpretation of such provisions. The arbitrator shall have no power or authority to add to, subtract from, or modify any of the terms of this Agreement, nor shall he/she render any decision which would require an action in violation of the Michigan School Law.

Section 3 – Cost Sharing

The cost of the arbitrator's services, including expenses, if any, shall be borne equally by the parties.

Section 4 – Time Limits

The time limits set forth above in Steps 1 through 4 may be extended in writing for good cause shown or mutual consent of the parties. Time limits set forth herein or agreed upon shall be considered as substantive, and failure to conform to them shall mean default by the party failing to conform.

Both parties recognize the District has the ability to change from the CAP to 80/20 and vice versa. In consideration of the staff and their financial planning, the District will give notice to the Association of any changes in a timely manner and agrees not to make this change more than once per benefit year.

All less than full-time administrators shall receive Board-paid life insurance and pro-rata long-term disability insurance. The Board of Education agrees that during the life of the contract, the Board shall provide liability insurance coverage comparable or better than current coverage (Home Insurance Company Rider ISOG 217). If an administrator has a complaint against him/her lodged with the police department or issued as a result of any action taken by the administrator while in the performance of his/her regularly assigned duties and performing properly, lawfully and in accordance with the written Board policy and written administrative regulations, the Board shall refer the matter to its insurance carrier.

ARTICLE VII

SALARY

Section 1 - Pay Schedule

Administrators shall be paid an annual salary as listed in the appendixes (see attached) with placement on the salary schedule to be determined by the Superintendent. Wages will be paid bi-weekly via direct deposit in accordance with the payroll schedule and the direct deposit guidelines.

Section 2 - Non-completion of School Year

In the event an administrator does not complete his/her assigned annual work calendar, his/her annual pay entitlement, tax-deferred annuity and transportation allowance will be prorated by the number of work days completed divided by the scheduled number of work days. This fraction will then be multiplied by the annual salary, annual TDA payments and annual administrator/transportation allowance. The resulting amounts will constitute earnings for that school year (July 1 - June 30). If an administrator leaves the district, vacation days previously utilized shall be counted as days worked.

If there is any overpayment on the part of the Board, the administrator or, in the event of his/her death, the beneficiary of his/her board-paid life insurance shall immediately refund to the Board the gross amount (before deductions) of such payments. Refunds must be made before the delivery of the insurance proceeds.

ARTICLE VIII

MISCELLANEOUS PROVISIONS

Section 1 - Tenure Bar

It is clearly understood that administrators shall not possess tenure in any non-classroom capacity by virtue of this Agreement or by virtue of individual contracts of employment with the West Bloomfield School District. Any administrator who has successfully completed the probationary period (as defined by the Michigan Teacher Tenure Act) and who is reduced in rank, either voluntarily or involuntarily, shall be entitled to placement in the teachers' bargaining unit consistent with the Teachers' Tenure Act and his/her seniority. Such administrator shall have all rights provided in the Teachers' Tenure Act, Article III, Section 1. Administrators commencing administrative employment prior to July 1, 2011 shall possess seniority comparable to all years of continuous employment in the district. Administrators commencing administrative employment after June 30, 2011 shall possess seniority equal to all year of employment within the West Bloomfield Education Association bargaining unit, regardless of when served. This provision shall be applicable only to administrators (including time) who are covered by the Teachers' Tenure Act.

Section 2 - Duration of the Agreement

- A. This Agreement shall become effective on July 1, 2023 and shall remain in full force and effect through June 30, 2025. The parties will begin negotiations for a successor agreement not less than ninety (90) days prior to the expiration of this Agreement.
- B. This Agreement may be amended at any time by the mutual agreement of both parties, provided that such amendments are reduced to writing and distributed to all members of the bargaining unit.
- C. If, during the life of this agreement, financial circumstances in the district result in re-negotiating other bargaining agreements, this contract will also be re-opened for re-negotiation of wages and benefits.

Section 3 - Conformity to Law

This Agreement is subject in all respects to the laws of the State of Michigan with regard to the powers, rights, duties and obligations of the Board, the Union and the employees in the bargaining unit, and, in the event that any provisions of this Agreement shall at any time be held to be contrary to law by a court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided for so doing, such provisions of this Agreement shall continue in effect.

Section 4 - Superseder Clause

This Agreement shall supersede any rules, regulations or practices of the Board which shall be contrary to or inconsistent with its terms. It shall likewise supersede any contrary or inconsistent terms contained in any individual administrator contracts. All future individual administrator contracts shall be made expressly subject to the terms of this Agreement.

Section 5 - Negotiation Procedure

The parties acknowledge that during the negotiations which resulted in this Agreement, each party had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining and that understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Board and the Union, for the full term of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to wages, hours or other terms and conditions of employment except by mutual consent.

Section 6 - Adjustment of Work Year

In the event it becomes necessary to add additional school days to meet requirements as stipulated in Michigan Public Act 239 of 1984, Section 1012, with both staff and students in regular session, administrators will work these days without additional remuneration as long as those days do not exceed their assigned contractual work year.

Section 7 – Union Representation

The Union may elect or appoint one (1) Steward and one (1) Alternate Steward who shall represent all employees working in that representational area. The Union shall also choose a Chief Steward from among the Stewards, who may represent all employees of the West Bloomfield School District covered by this Agreement. The Chief Steward or designee shall be the primary employee representative for District employees covered by this Agreement. Stewards shall have the reasonable opportunity to conduct Union business including presenting of grievances without loss of pay. The Union shall reimburse the District on a current basis those sums paid to the Office of Retirement Services for Union release time.

The Employer recognizes a Bargaining Committee composed of employee representatives from the bargaining unit and the Business Representative of Teamsters Local 214. This Committee shall act in a representative capacity for the purpose of meeting with Employer representatives to negotiate new and modified agreements. The Employer will authorize Bargaining Committee members to attend negotiation sessions that occur during their regular work hours without loss of pay. In any negotiations described in this Agreement, neither party shall have any control over the selection of the bargaining representatives of the other party.
